Subject: Letter of Appreciation and Gratitude

Dear RJ Maintenance Team,

On behalf of Laerskool Jeugpark Primary School, we would like to extend our deepest appreciation for the outstanding work you have done on our netball courts. The courts look absolutely fantastic!

Your dedication, precision, and commitment to excellence in painting, reconstructing, and finalising the lines have truly transformed our facilities. We recognise and value the effort you put into ensuring every detail was completed to the highest standard.

Beyond the physical improvements, your work has brought renewed enthusiasm and excitement to our students, who are eager to utilise the beautifully finished courts. Your efforts have made a lasting impact on our school community.

Once again, thank you for your hard work and exceptional service. We sincerely appreciate your commitment to quality and the extra effort you put in to make this project a success. Lastly a huge thank you for the sponsorship of the board in the entrance of the courts.

With gratitude,

Mr. W. van der Vyver
Principal
