To Whom It May Concern,

REFERRAL LETTER: RJ MAINTENANCE – (Ray Martini)

It is with confidence that we, the Waters Edge Body Corporate, provide this letter of referral for RJ Maintenance for work completed between 25th May until 13th June 2025.

RJ Maintenance recently completed a waterproofing project on the roofs of the buildings, along with tiling and painting within our complex. The scope of work was carried out professionally, timeously, and with a high standard of workmanship. The team demonstrated excellent technical knowledge, maintained a clean and organised work environment, and communicated effectively throughout the duration of the project.

We were particularly impressed with their attention to detail and commitment to ensuring the long-term integrity of the roofing structures. All work was completed within the agreed timelines.

We would not hesitate to recommend RJ Maintenance to other Body Corporates, property managers, or homeowners in need of reliable and quality contractual services.

Should you require any further information, please do not hesitate to contact us.

Kind regards,
Matthew Payze
