Dear Ray, Nathi and team,

I would like to take this opportunity to thank you and your team for excellent work done. You were in our home for 6 weeks to paint and do waterproofing.

Nathi and his team are very professional, friendly and always available for any requests or changes. They were so respectful while working in the house. The team took only lunch breaks and worked very hard every day.

Our home looks amazing after RJ Maintenance worked their magic. Thank you once again.

May you and your team be blessed.

Warm regards,

Joan
