Letter of Recommendation RJ Maintenance

Good afternoon,

We had the pleasurable experience of dealing with Ray and the team from RJ Maintenance. Their workmanship has been great, they are professional and they followed through on everything they said they would do.

The team on site led by Daniel the foreman was neat and tidy all the time and kept to the time lines provided which was a real breath of fresh air.

Our Polycarbonate Pergola looks absolutely awesome and stylish.

I highly recommend the team at RJ Maintenance.

Kind regards,

Damon Christopher Tymvios.
