Subject: Letter of Recommendation for RJ Maintenance for Excellent Project Work

To Whom It May Concern,

I am pleased to provide this letter of recommendation for RJ Maintenance and their team for the outstanding work completed on our **kitchen alteration / replacement of double ovens** from **13/10/2025** to **16/10/2025**.

During our collaboration, I was consistently impressed by their excellence of work, their, professionalism, expertise, and commitment. The project involved removal of the old double ovens, breaking down the bricks and cement under the ovens to lower the level of the ovens, inserting lintels to make new areas for the microwave and storage, tiling the front and side walls, fitting the new double ovens, fixing an electric point and hanging a hood over the gas stove.

RJ Maintenance delivered exceptional results that exceeded our expectations in several key areas:

- **Timely Delivery:** The project was completed on schedule, despite having to deal with the unexpected breaking out of all the bricks and cement underneath the ovens and re-tiling a small area.
- **High-Quality Work:** The quality of their work was second to none. All exposed areas were covered / protected before the breaking started. Every day the site was cleaned and straightened before leaving the site.

- **Quality Inspections:** On a daily basis, the site manager inspected the work himself and communicated with the workers to check progress.
- **Communication:** Communication was consistently clear, prompt, and professional, ensuring that we were informed and involved throughout the entire process.

Their contributions led directly to having better space utilisation in the kitchen, much easier access to the ovens as being elderly with restricted mobility makes it challenging to lift items in and out of the ovens. We are confident that their skills and dedication will be a valuable asset to any future client.

I wholeheartedly recommend RJ Maintenance for similar projects. I am confident they will approach any new venture with the same level of excellence they demonstrated with us.

Please feel free to contact me at dalene-bekker@outlook.com if you would like to discuss our experience further.

Sincerely,
