11 Partridge Hall
Plover street.
Terenure.

Dear Ray,

I'd like to extend my sincere thanks to you and Kenneth for the prompt service and competitive quote for installing the split meter at my property.

I truly appreciate how quickly everything was arranged—the quote was completed the same day, and the installation followed the very next afternoon. That level of efficiency is impressive.

It was a pleasure working with you and your team. I will definitely make use of your services again and will gladly recommend RJ Maintenance to my friends and family.

Kind regards,

Chiara Spolander.
